Indicator description

Title statement

Primary ID
WB_ES_M_OBST15

Name
Percent of firms choosing transportation as their biggest obstacle by sector - Manufacturing

Database ID
WB_ES

Sources, concepts, and methods

Definition long
The proportion of establishments choosing transportation as their top obstacle in manufacturing establishments

Relevance
Indicator provides key information for businesses, policymakers, and researchers to understand the underlying dynamics of the private sector

Methodology
Data is collected through the World Bank's establishment Surveys (WBES). Respondents include owners or top managers of businesses who report on various aspects of the business environment. For methodological information, please see the WBES website (https://www.enterprisesurveys.org/). The results of multiple indicators of the WBES are also included in the in B-READY report (see https://www.worldbank.org/en/businessready).

CC BY 4.0	https://creativecommons.org/licenses/by/4.0/	This work is provided under a Creative Commons 4.0 Attribution International License, with the following mandatory and binding addition:i. Any and all disputes arising under this License that cannot be settled amicably shall be submitted to mediation in accordance with the WIPO Mediation Rules in effect at the time the work was published. If the request for mediation is not resolved within forty-five (45) days of the request, either You or the Licensor may, pursuant to a notice of arbitration communicated by reasonable means to the other party refer the dispute to final and binding arbitration to be conducted in accordance with UNCITRAL Arbitration Rules as then in force. The arbitral tribunal shall consist of a sole arbitrator and the language of the proceedings shall be English unless otherwise agreed. The place of arbitration shall be where the Licensor has its headquarters. The arbitral proceedings shall be conducted remotely (e.g., via telephone conference or written submissions) whenever practicable, or held at the World Bank headquarters in Washington DC.
